OBJECTIVE

Motivated Electrical and Electronics Engineering graduate transitioning into software development with strong foundation in Python, MySQL, ReactJS, and Django. Passionate about building web applications and eager to contribute to real-world software projects while continuously learning modern technologies.

EDUCATION

Bachelors of Technology in Electrical and Electronics Engineering 2022 - 2025
Narasaraopeta Engineering College
CGPA: 8.16/10

Diploma in Electrical and Electronics Engineering 2019 - 2022
Kakinada Institute of Technology and Science
Percentage: 88.56

SKILLS

- **Programming:** Python
- **Web Technologies:** HTML, CSS, JavaScript, Django, ReactJS
- **Database:** MySQL
- **Tools:** Git, GitHub, VS Code
- **Soft Skills:** Communication, Team Collaboration, Problem Solving

PROJECTS

- ❖ **Resume Analyzer & Job Recommendation System | Tech Stack:** ReactJS, Django, MySQL, Tailwind CSS.
Developed a full-stack web application that allows users to upload resumes, automatically extracts skills using text processing techniques, and matches them with job requirements using a scoring algorithm. The system ranks and displays personalized job recommendations through a React-based interface integrated with a Django backend.
